For the 2021-2022 school year, Lands' End will continue to be our uniform provider. **ALL UNIFORMS MUST BE PURCHASED FROM LANDS END.** Land's End provides convenience for you, high quality merchandise, and a "not satisfied...return it...Period" consumer philosophy.

Lands' End offers some very convenient features:

You choose the *exact* length of the pants, and they hem them for FREE

Return items to a local Sears location and avoid the return shipping charge—so if you are unsure of size, buy both and return the incorrect one free of return shipping charges to the local Sears store.

All School logos are embroidered, not silk screened....and these items can be returned too!

Sizing to fit every body type—slim, plus, husky

Lands' End has "built in" fabric shrinkage in their sizing, so you should not have to size up or down to find the appropriate fit—and remember, if you wash it and are not satisfied, you can return it at anytime!

Some items *may* be available at a Sears location in their Lands' End department. You may go for sizing verification and then order the exact color and size while at the Lands' End Shop and it will be shipped to you for FREE.
